

I Love Pasta That's No Doubt

By Madison Smith

Hear it boil from the pot  
Crunch munchy from the box  
I love pasta a whole whole lot

Short, fat, long, tall, just ask me I've got them all

Slippery, slimy, spaghetti  
Whirly, twirly, colored noodles  
Cheesy, wheezy, macaroni

Spiraled, curved, rigid, smooth, pasta makes me really groove  
Pesto perfecto green and grand, even beefaroni from the can.

Rigatoni in my tummy  
Amazing alfredo hot and yummy  
With veggies or without  
I love pasta that's no doubt.
